WINDOWS and DOORS

V300
Trinsic™ Series
Horizontal slider window

With its narrow frames and vertical meeting rail, our V300 Trinsic™ Series horizontal slider window is sure to provide eye-opening views to the outside. A durable vinyl window, the V300 Trinsic™ Series also boasts first-rate energy efficiency and a bevy of aesthetic options. Plus, with its operating panel, the V300 horizontal slider is easy to clean and can complement any architectural style or interior design.

What you can expect

MODERN, SLIM FRAME DESIGN

The V300 Trinsic™ Series horizontal slider window boasts a sleek, contemporary design with a narrow frame that maximizes the glass area. This choice not only enhances the aesthetics by offering expansive views but also allows for more natural light.

BLACK CAPSTOCK TECHNOLOGY

The V300 Trinsic™ Series utilizes advanced co-extruded capstock technology, providing a durable, high-performance black finish. This technology enhances the windows' resistance to fading, chalking, and scratching, ensuring long-lasting beauty and minimal maintenance.

REDESIGNED SMARTTOUCH® LOCK

The V300 Trinsic™ Series horizontal slider window features the patented SmartTouch® lock. This innovative lock operates effortlessly with one touch and automatically locks when closed, enhancing security. The hardware was redesigned for this series to practically disappear from view.

Engineered to perform

- Available in 1" or 1-3/8" nail fin setback, 1-5/8" Z-bar, block frame and block frame with sloped sill adapter
- SunCoat® Low-E2 glass coatings come standard on the V300 Trinsic™ Series for added energy performance with optional argon fill
- PureView® mesh screen is available to keep debris and bugs from entering your space, without obstructing your view
- SmartTouch® window lock blends into the frame and practically disappears from sight
- Designed for new construction or replacement applications
- The V300 Trinsic Series comes with Lifetime Limited Warranty. Full Lifetime Warranty is also available as an optional upgrade for a fee and must be selected at the time of purchase

Energy efficient glass

Able to meet ENERGY STAR® requirements in all four climate zones. Our dual-pane insulated glass package options help save on heating and cooling costs while enhancing home comfort.

- In cool weather, insulated glass provides outstanding thermal performance to keep interior glass surfaces closer to room temperature, eliminating cold spots near windows
- In warm weather, it helps reduce solar heat gain and minimize glare to improve interior comfort

GLASS PACKAGE	U-VALUE	SHGC	ENERGY STAR ZONE
SunCoat Low-E	0.32	0.31	
SunCoat Low-E with Flat Grid	0.32	0.28
